Cyberlux

Which genius thought calling a judge's chambers with a veiled threat was a good idea?

There's anger on both sides of Cyberlux right now, and that part is entirely understandable. Money is...

How a Federal Contract Gave Cover to a Years-Long Promotion Scheme

It began, as these things often do, with timing that felt just a little too precise to...

Cyberlux

Did Congress finance a corporate acquisition without knowing it?

When a near-insolvent defense contractor received tens of millions in advance government funding part of a...

The Loudersons, Part Deux

I walked into the urgent care waiting room, hobbling on a cane, and there they were already, running their pie holes at full volume. The woman spoke like she...

Where the Desert Meets the Stillness: A Rosewood Reflection

Abu Dhabi doesn't need to prove anything. It doesn't jostle for your attention like Dubai or crowd...

Commentary

Jesuit Education: The Original Spy School

You can always spot another Jesuit grad. Not because they flash a secret handshake, but because there's...

After the Biggest Meeting of My Life, I Went Here

Last Thursday I landed in D.C. at 7:04 a.m., which, for reasons I cannot defend, felt like a moral victory. The sky was undecided....

Where the Desert Meets the Stillness: A Rosewood Reflection

Abu Dhabi doesn't need to prove anything. It doesn't jostle for your attention like Dubai or crowd your senses with noise. It glides. Quiet....

Commentary

Jesuit Education: The Original Spy School.

You can always spot another Jesuit grad. Not because they flash a secret handshake, but because there's this strange, flicker-of-the-eyes recognition like you've both been...

The Proxy War

The War on Terror: America's Gift to Moscow and Beijing

America loves a good mission statement. "Freedom isn't free," we said, and then spent 20 years proving just how costly it could be. The...

The Proxy War

Assad's Fall: The Latest Battle in the U.S.-Russia Proxy War

The reported fall of Bashar al-Assad's regime in Syria isn't just a headline about a tyrant toppling it's the latest skirmish in the long-running proxy...
